Index to NLGI SPOKESMAN

Volume XXXVI

April 1972 — March 1973

Index by Authors

Ault, L. H., *Development of Fluorosilicone Greases for the Chemical Process Industry*, 1, XXXVI, April 1972
Co-author, G. J. Quaal

Baniak, E. A., *Precision of Four Ball and Timken Tests and Their Relation to Service Performance* (Review of ASTM Procedures Symposium), 10, XXXVI, January 1973
Co-author, R. S. Fein

Boner, C. J., *The Early Years of NLGI*, 8, XXXVI, November 1972

Brannen, W. T., *Discussion of the NLGI Annual Meeting Paper on Comparisons of Sperm Oil Based E. P. Additives with Their Replacement Products: Evaluation of Some Sulfurized Sperm Oil Replacements*, 6, XXXVI, September 1972
Co-author, D. A. Lee

Bruske, G. W., *Define the Marketing Target*, 2, XXXVI, May 1972

Calkins, J. M., *Discussion of the NLGI Annual Meeting Paper on Comparisons of Sperm Oil Based E. P. Additives with Their Replacement Products*, 6, XXXVI, September 1972

Carter, M. L., *President's Address — 1972*, 9, XXXVI, December 1972

Churan, R. G., *Pails and Drums - The Evolution of the Species*, 7, XXXVI, October 1972
Co-author, D. R. Hoover

Clark, G. J., *Lubricating Grease as Viewed by a Bearing Manufacturer*, 8, XXXVI, November 1972

Eldridge, H., *Lubrication and Service Requirements of 1973 Cars*, 9, XXXVI, December 1972

Fein, R. S., *Precision of Four Ball and Timken Tests and Their Relation to Service Performance* (Review of ASTM Procedures Symposium), 10, XXXVI, January 1973
Co-author, E. A. Baniak

Fischer, R. L., *Current Status of NLGI Reference Systems*, 11, XXXVI, February 1973
Co-author, R. L. Waring

Hermann, C. L., *Discussion of the NLGI Annual Meeting Paper on Comparisons of Sperm Oil Based E. P. Additives with Their Replacement Products*, 6, XXXVI, September 1972

Hoover, D. R., *Pails and Drums - The Evolution of the Species*, 7, XXXVI, October 1972
Co-author, R. G. Churan

Kelly, W. D., *The Performance of Some Model Greases with and without MoS_2 Addition*, 3, XXXVI, June 1972
Co-author, M. S. Vukasovich

Kemmerer, H. R., *The Environment - Technical Problem or Public Issue?*, 10, XXXVI, January 1973

Lane, J. W., *Rotary Engines — Operation and Lubrication*, 5, XXXVI, August 1972
Co-author, H. V. Lowther

Lee, D. A., *Discussion of the NLGI Annual Meeting Paper on Comparisons of Sperm Oil Based E. P. Additives with Their Replacement Products: Evaluation of Some Sulfurized Sperm Oil Replacements*, 6, XXXVI, September 1972
Co-author, W. T. Brannen
